TABLE No. 30.—Local Weights and Measures.

Grain Measures—

| | | | | |
|------------|-----|-----|---|-------------------------|
| One pai | ... | ... | = | 90 tolas. |
| „ kuro | ... | ... | = | 8 pais=9 seers. |
| „ man | ... | ... | = | 3 kuros=27 seers. |
| „ mani (a) | ... | ... | = | 8 mans=5 mds. 16 seers. |
| „ manyasa | ... | ... | = | 100 manis. |

Miscellaneous—

In Hoshangabad and Sohagpur tahsils—

| | | | | |
|------------------|-----|-----|---|----------|
| One mani of land | ... | ... | = | 4 acres. |
|------------------|-----|-----|---|----------|

In Harda and Seoni tahsils—

| | | | | |
|------------------|-----|-----|---|----------|
| One mani of seed | ... | ... | = | 8 acres. |
|------------------|-----|-----|---|----------|

(a) The above is the small or katcha mani. In Seoni-Malwa and Harda tahsils the man contains 4 kuros and the mani 12 mans or 48 kuros. This is the pakka mani and is equivalent to 10 mds. 24 seers. The measures of capacity are for wheat.

The following are the differences in the weight of the contents of a pai in the different parts of this district, *viz.*—

In Hoshangabad tahsil one pai of ordinary white pissi weighs $92\frac{1}{2}$ rupees.

| | | | | | | |
|----------|---|---|---|---|----|---|
| In Harda | „ | „ | „ | „ | 91 | „ |
|----------|---|---|---|---|----|---|

| | | | | | | |
|----------------|---|---|---|---|----|---|
| In Seoni-Malwa | „ | „ | „ | „ | 94 | „ |
|----------------|---|---|---|---|----|---|

| | | | | | | |
|-------------|---|---|---|---|----|---|
| In Sohagpur | „ | „ | „ | „ | 90 | „ |
|-------------|---|---|---|---|----|---|

The difference is due partly to the size of the pai and partly to the particular kind of the wheat experimented upon in each tahsil.

APPENDIX.

Notes to supplement, correct and enlarge the information contained in the A Volume Gazetteer of the Hoshangabad District.

Chapter IX, page 271 of the A Vol.—(1) The information with regard to the civil litigation up to the year 1906 has been given on page 271, Volume A, of the Hoshangabad District Gazetteer.

The following table shows all kinds of suits instituted from 1st January 1907 to 31st December 1911:—

| Year. | Suits for money and moveables. | Tenancy suits. | Land suits and suits for declaration, etc. | Mortgage suits. | Total. |
|-------|--------------------------------|----------------|--------------------------------------------|-----------------|--------|
| 1907 | ... | 2,805 | 852 | 301 | 242 |
| 1908 | ... | 3,732 | 961 | 357 | 320 |
| 1909 | ... | 4,089 | 1,132 | 287 | 440 |
| 1910 | ... | 4,564 | 882 | 359 | 359 |
| 1911 | ... | 4,351 | 924 | 280 | 152 |
| | | | | | 5,707 |

The number of mortgage suits in 1910 caused by the change in the law of limitation was 314.

The above table shows that the total number of suits steadily increased during the last four years, *i.e.*, from 1907 to 1911. This continual increase was due to the litigious tendency of the people of this district and to no other special cause. In the year 1911, it decreased from 6,164 to 5,707, which was due to the prevalence of plague, etc., in the district.

The Tenancy suits increased during the years 1907, 1908 and 1909 and decreased in the year 1910.

The increase in the mortgage suits during the years 1908, 1909 and 1910 over the figures of 1906 and 1907 was due to the amendment of Limitation Act. Under the provisions of section 31 (1) of the Act, certain suits for foreclosure or suits for sale were to be instituted within the period of two years from the date of the passing of the Act, and this change of law brought good many suits.

(2) The Civil Court building was completed in June 1908 and all the Civil Courts and offices were removed to that building on 24th June 1908.

(3) The character of litigation of the district is always intricate. The people of the district are of litigious tendency and have acquired a taste for it.

(4) The number of Barristers and Pleaders practising in this district at present is 27.

(5) The number of insolvency petitions since 1908 are noted below :—

| Year. | By debtors. | By creditors. |
|-------|-------------|---------------|
| 1908 | 10 | ... |
| 1909 | 12 | ... |
| 1910 | 13 | ... |
| 1911 | 10 | ... |

(6) There are altogether 15 Judges, who exercises civil powers in the district. They are as noted below :—

- 1 District Judge.
- 1 Sub-Judge.
- 4 Additional Judges to the Courts of Sub-Judges.
- 4 Munsiffs.
- 1 Extra Munsiff.
- 4 Additional Judges to the Courts of Munsiffs.

Out of these 15 Judges, 7 do pure civil work, and the remaining 8, i.e., Additional Judges to the Courts of Sub-Judges and the Additional Judges to the Courts of Munsiffs, try the suits under the Tenancy Act. The jurisdiction of the District Judge and Sub-Judge extends over the whole district. The Additional Sub-Judges and Additional Judges to the Courts of Munsiffs try suits arising within their respective tahsils, to which they are in charge.

The Munsiffs of the Harda and Sohagpur tahsils take up suits up to the value of Rs. 250 arising within the limit of their respective tahsils.

The jurisdiction of the Munsiff of the Seoni tahsil extends over the Seoni tahsil and to Harda tahsil in respect of certain class and value of suits.

The jurisdiction of the Munsiff, Hoshangabad, extends over the Hoshangabad tahsil, in respect of all suits, except suits of Small Cause Court nature, up to the value of Rs. 500. His jurisdiction also extends over the Harda, Seoni and Sohagpur tahsils, in respect of suits of certain class and value.

The Extra Munsiff, Pachmarhi, takes up suits up to the value of Rs. 100 of the Small Cause Court nature, arising within the limit of Pachmarhi Plateau.

Page 228, Chapter IX of the A Vol.—(1) Deputy Commissioners are no longer District Registrars. Under Notification No. 2016, dated the 23rd September 1910, the Treasury officer in each district is appointed to be the Registrar of the district.

(2) In 1911 total number of documents registered was 1,884, and total registration receipts in that year amount to Rs. 7,866.

Para. 230, page. 272 of the A Vol.—In 1905-06 the Madras Contract Supply System was introduced, and a distillery at Hoshangabad was established. It supplies the liquor for the district. There are warehouses at tahsil headquarters. The issues are made to the retail vendors at Hoshangabad and Harda throughout the week. The days for issue at Sohagpur are—Monday, Tuesday, Wednesday and Thursday and at Seoni-Malwa—Friday and Saturday. The issues at Sohagpur and Seoni are made by the same Sub-Inspector.

In 1911-12 the cost price of liquor was enhanced from Re. 0-13-9 to Re. 0-14-6 per proof gallon.

The duty rate was raised from Re. 1-9-0 to Re. 1-14-0 per proof gallon with the following differential rates of duty :—

- (1) Pachmarhi town shop from Rs. 3-2-0 to Rs. 4-1-0.
- (2) Four shops on and near the Piparia-Pachmarhi road from Re. 1-9-0 to Rs. 2-8-0.
- (3) Hoshangabad-Itarsi group of ten shops from Re. 1-9-0 to Rs. 2-8-0.
- (4) Harda town shops and the shops lying within a radius of 10 miles from Harda town, from Re. 1-9-0 to Rs. 2-8-0.
- (5) Bori Range from Re. 1-4-0 to Re. 1-9-0.

The above rates remained unchanged for the year 1912-13.

The minimum retail prices of liquor have been fixed separately for each of the areas paying different rates of duty.

There are three strengths of liquor prescribed for the district, *viz.*, 25°, 45° and 60° U.P. Consumption of the weak liquor of 60° U.P. is popular amongst the lower classes.

Sales of 25° U.P. occur mostly in town shops. Sales of 45° U.P. were found to be very small in Harda, Seoni and Hoshangabad tahsils. Its issue from the warehouses has been discontinued.

On the introduction of the Supply System the number of shops was 186. In 1911-12 there were 112 shops, the maximum number sanctioned by the Commissioner of the Division or one to every 4,000 persons and 33 sq. miles, or excluding Government forest one to every 24 sq. miles.

Revenue is raised partly by shop vend fees and partly by a direct duty levied on liquor when it is issued from the warehouses. During the last year the direct duty was nearly 1½ per cent more than the vend fees.

During the five years ending 1895-96 the revenue from the country liquor averaged annually Rs. 82,000 or As. 2-6 per head of population and that in the first two years of the new system it averaged Rs. 84,000 or As. 3 per head of population, while during the last five years ending 1911-12, it averaged Rs. 1,02,000 or As. 3-7 per head of population.

Tari contracts are leased from 1st October to 30th September. No monopoly is sold to a person who is directly or indirectly interested in country liquor trade. There are no *bona fide* tappers in the district. The privilege is therefore sold to Dayaram Bhikajee from Gujarat. He has had to get tappers from the place of his residence. Tari is sold at one anna a bottle. There are two shops in the district—one at Hoshangabad and the other at Harda. Last year they were sold for Rs. 92.

Opium is obtained from the Government Factory at Ghazipore. It is stored in the Sadar Treasury and thence removed to the warehouses.

Opium is now supplied wholesale to the licensed vendors of Hoshangabad tahsil from the Sadar Treasury under the signature of the Treasury Officer, and to other vendors of different tahsils from the warehouses by the Sub-Inspector in charge. The issues from the Sub-treasury have been discontinued. The days for issue are similar to those of liquor.

In this district opium is usually eaten, but is also smoked in the preparation known as Madak.

The largest number of opium-eaters are children. Opium is given to the children of all communities of castes up to the age of 3 years and in some cases up to the age of 5 years.

The number of opium shops in 1911-12 was 35 or one to every 13,000 persons and 106 square miles: or excluding Government forest one to every 79 sq. miles.

The revenue which includes duty and licence fees averaged Rs. 40,652 or Re. 0-1-6 per head of population during the five years ending 1910-11, while in 1911-12 it was Rs. 48,300 or As. 1-8 per head of population.

From 1st April 1912 the duty on opium has been raised from Rs. 23-8 to Rs. 27-8 a seer.

Opium is supplied to the Makrai State at the privilege rate, *i.e.*, Rs. 22-8 a seer.

Ganja, which consists of the dried flowering tops of the cultivated female hemp plant and is ordinarily used for smoking, is obtained from the licensed

vendors in Khandwa tahsil of the Nimar district. Licences to purchase wholesale are given by the Deputy Commissioner without fee to all respectable applicants including retail vendors. The ganja is brought in bond from Khandwa to the tahsil headquarters and deposited into the warehouses, whence it is issued on payment of duty to the wholesale vendors who sell it to the retail vendors. Licence fees are levied from the retail sellers, and the only other source of revenue is duty. From 1st April 1912 duty on ganja has been raised from Rs. 6 to Rs. 7-8 a seer.

Ganja for consumption in Makrai State is purchased from Khandwa direct.

In 1911-12, 42 licences for the retail sale of ganja were issued giving one to every 10,400 persons and 88 sq. miles, or excluding Government forest, one to every 66 sq. miles. The total revenue from ganja during the five years ending 1910-11 averaged Rs. 11,000 or 4½ pies per head of population; in 1911-12 the revenue was Rs. 16,699 and the incidence per head of population was 7 pies.

Other exciseable articles are foreign liquor and bhang or the dried leaves of the hempplant, but the revenue realized from them is insignificant.

The average incidence of excise revenue under all heads during the five years ending 1910-11 worked out at about five annas per head of population, which is considerably below the provincial average.

This is unavoidable consequence of the propinquity of the independent States of Indore and Bhopal, where exciseable articles are purchased at much lower rates, and are either consumed there or brought into the district in quantities too small to constitute an offence against the Excise Laws.

The Excise staff consists of an Inspector-in-charge of the district, called District Excise Officer; 2 Sub-Inspectors in charge of the tahsil warehouses, 4 Sub-Inspectors in charge of the circles or ranges into which the district is divided for purposes of supervision, 21 peons and 3 chowkidars. For the distillery at Hoshangabad, there are 2 Sub-inspectors. The senior man remains in charge of the distillery and gets Rs. 15 a month as allowance. There are two clerks in the Excise office. The head clerk gets Rs. 40 and his assistant Rs. 25 per mensem. The whole staff is subordinate to the District Excise Officer, who represents the Deputy Commissioner in excise matters.

Page 276, Chapter IX.—The Hoshangabad Municipality has a population of 12,099 persons according to recent Census (year 1911), and the Committee consists of 15 members, of whom 6 are nominated and 9 elected. The average income for the decade ending 1911 was Rs. 38,515, and the expenditure Rs. 31,943.

In 1911-12 the income was Rs. 26,511 and the expenditure Rs. 28,621, the incidence of income per head of population being Rs. 2-1-6 and of taxation Re. 1-10-11.

About two-thirds of the income is derived from octroi while the conservancy tax produces about Rs. 3,154.

The chief items of expenditure are conservancy, up-keep of roads, education and medical relief.

The extension of Harda water-works was carried out in 1910, at a cost of Rs. 1,20,000, and completed in the same year. Rs. 95,000 were borrowed from Government at 4 per cent per annum interest, and Rs. 25,000 were paid from the accumulated savings of the Municipal funds.

The new drainage scheme, which is likely to cost Rs. 2,37,000, is now ready, and the Municipal Committee is endeavouring to find funds for its completion.

The following words require to be scored out from the same page:—

"But additional expenditure estimated at Rs. 1,20,000 is required to complete them."

"And a new drainage scheme has been surveyed."

Para. 232, page 276, A Vol.—The Sohagpur Municipality had a population of 7,242 in the Census of 1910 held in March 1911. The annual receipts during the decade averaged Rs. 9,983. The octroi was abolished from 1st January 1909 and the haisiyat tax was introduced instead. The Municipality of Sohagpur has been changed into notified area from 1st July 1911.
